

C300 Series

Commercial-Grade Electronic Coin Sorter, Counter and Wrapper

► **QuickLoad™ Coin Tubes:**

Coin tubes designed for easy swapping of coin rolls when a certain denomination is complete/full (*patent pending*).

► **Preset Batch Feature:**

Choose the preset feature that right for you! With the touch of a button you can set batch amounts for coin tubes, coin bins, or to just continually count without stopping.

► **Advanced Reporting:**

Equipped with a large LCD screen that displays a full breakdown by denomination and total value counted.

► **Print Receipts For Your Records:**

Now with printing capabilities the C300 can help you keep track of your counting sessions and optimize your record keeping (*printer sold separately*).

► **Cassida Convenience:**

Comes with 5 sets of Cassida Preformed Coin Wrappers to help you get started. Also included are the **QuickLoad™** coin tubes and coin bins to help you count, sort, and roll faster and more efficient.

Printer sold separately
